Profile

A multifaceted professional with a unique blend of experience in content moderation, digital design, and culinary arts. As a Content Moderator at TikTok, I honed my skills in maintaining platform integrity using advanced internal technologies, driven by a passion for curiosity and continuous learning. As a Freelance Digital Designer, I've mastered Adobe and Figma, creating visually compelling designs that meet client needs. My background as a Pasta Head Chef demonstrates my ability to manage complex workflows, from handcrafting pasta to organizing ingredients, meeting tight deadlines, and ensuring product quality. Eager to embrace new challenges, I am committed to leveraging my diverse skill set and adaptability to excel in dynamic environments and stay at the forefront of emerging technologies.

Work Experience

- **Mar 2023 - Present**
Tik Tok Technologies - 5 Merchant Square - London
Content moderator
Managed user-generated content for compliance, enforcing policies and taking action against violations. Collaborated cross-functionally to address challenges and enhance moderation processes. Stayed updated on industry trends for effective content management.
- **2021 - Present**
Freelance
Digital Designer/Ux Designer
Craft visually compelling digital assets, collaborating closely with clients to achieve their objectives. Execute projects with precision and creativity, exceeding expectations in freelance digital design.
- **Sept 2021 - Oct 2021**
Mint Collective
Junior Digital Designer
At We Are Revolution Design Agency, I worked as a Junior UI/UX Designer, creating wireframes and UI components using Figma to build intuitive and user-friendly interfaces that align with client goals and enhance the user experience.
- **Jan 2021 - May 2022**
